We cannot believe how much they have grown. It has been an incredible journey getting to know each and every one of them. In the final two weeks of school, please send me (yyoleung@kis.edu.hk) a few photos of their favourite memory of Kindergarten. They will have an opportunity to share with the class.</p> <p>We have been talking a lot about different ways to take care of our planet, including reducing waste, recycling, and reusing things. The children have come up with many ideas to help protect our planet. Next week, we will talk about tools and their functions.</p> <p>Thank you 😊</p> <p>Ms.Yvonne</p>
