Dear KG4,

Thank you for attending the curriculum presentation. It was great to meet you all and have an opportunity to talk about important areas of the English curriculum. Next week is the Parent Teacher Conference, so I look forward to seeing you again and speaking about your children specifically.

This year, I will use Google Classroom to set some homework, so please make sure your child understands how to use it, and help them a little for the first few weeks as they get used to it. If you have any questions or concerns, please feel free to reach out to me at any time. You can contact me on Kakao or by email.
