There are many mindfulness activities that can help: drawing, tai chi, breathing techniques, yoga, nature walks, and more. Your English journal topic this week is to research, choose, and write one page about a mindfulness activity that you can use this year to help self-regulate your thoughts and feelings. Please see the Google Classroom for more details about writing your journal.</p> <p>We have some important dates coming up: March 26-27: Parent-Teacher Conferences (half days) April 2-12: Easter Break April 16: Spring Outing to Ocean Park April 20-24: Book Week</p> <p>Ms. Wendy Nind (wlnind@kis.edu.hk)</p>
